STORAGE & ORGANIZATION
Winter Errorless File Folders

Storage options

- File box with numbered folders
- Task boxes (one folder per box)
- Zip bags (folder + pieces together)
- Binder with plastic sleeves + piece pouch

Keep pieces organized

- Use included storage labels to stick on folders, bins and matching pieces
- Print the storage labels page, cut out and attach to:
  - Each folder (folder 1-4)
  - Storage box (pack label)
  - Matching pieces bag
- Store pieces with the matching folder
- Use a simple routine: Pieces away → Folder back → Next work

Classroom set-up tip

Create a "Finished" tray so students know where to place completed folders.

Lost-piece plan

- Keep a small envelope labeled Spare Pieces
- Print and laminate one extra cut-out page as a backup set
- If a piece is missing, swap in a spare so the folder stays ready to use.
